FULLY  
EQUIPPED  
innovative accessory solutions

# ABS LID ONE PIECE

FROM EGR

Manufactured from a tough, lightweight, highly durable ABS/ Polycarbonate material. Uniquely styled for each vehicle in a smooth painted colour finish.

Our Hard Lids are lockable, featuring twin gas struts for easy opening and a quick release hinge pin system that allows the lid to be removed in seconds.

**Mazda BT-50**  
One piece ABS lid

# ABS LID SPORTS BAR

FROM EGR

Manufactured from a tough, lightweight, highly durable ABS/ Polycarbonate material. Uniquely styled for each vehicle in a smooth painted colour finish.

Our Hard Lids are lockable, featuring twin gas struts for easy opening and a quick release hinge pin system that allows the lid to be removed in seconds.

**Volkswagen Amarok**  
ABS lid with matte black sports bar

# TRADE TOP HARD LID

FROM EGR

Strong, robust and durable Aluminium Hard Lids for your Work Ute. Constructed from strong, lightweight Aluminium extrusion, with a checker plate centre, these hard wearing tough Hard Lids are the perfect alternative for Ute security at a very affordable price.

Supplied in black powdercoated finish and optional aluminium Checker Plate Hard Lid Load Rails.

**Mitsubishi Triton**  
Alloy trade top hard lid

# MOUNTAIN TOP ROLL

FROM MOUNTAIN TOP

A highly functionally retractable tonneau cover made of aluminium. It has multiple locking positions and is operated with a pull strap. Security locking and excellent weather proofing ensures your gear stays clean and dry.

Cargo Carriers and Sport Bars can be added to accessorise to your Mountain Top and are compatible with under rail Tuf Dek Liners.

**Isuzu D-Max**

Mountain top roll with sports bar and cargo carriers
