# RHINO-RACK

## THE WORLD'S MOST USEFUL ROOF RACKS

Rhino-Rack's Vortex roof rack system featuring the VGS strip is the perfect carrying solution for your leisurely activities.

### FEATURES

- SECURECORE™ locking endcaps included.
- Large range of commercial carrying solutions.
- Strong and durable for offroad and commercial use.
- Extruded structural aluminium curved to suit the contour of your roof.

# ROOF RACK LEG OPTIONS

When choosing the right legs for your racks, there are three main things to consider. The load you plan to carry, the shape of your roof and the adventure you plan to go on.

## RAIL MOUNT

Attach racks to the vehicles factory rails.

## TRACK MOUNT

Install vehicle specific tracks for the highest load capacity.

## PERMANENT MOUNT

Permanently mounts to the roof of the vehicle.

## REMOVABLE MOUNT

Clamps inside the door and can be installed simply.

## QUICK MOUNT LEG SET

The Quick Mount RTL600 Leg set uses a simple trigger locking system, making it easy to use.

### FEATURES

- Simple trigger locking.
- Lockable cover plate.

## GUTTER MOUNT

Uses the existing vehicle guttering.

## CANOPY MOUNT

Provides extra carrying capacity by mounting to your canopy.

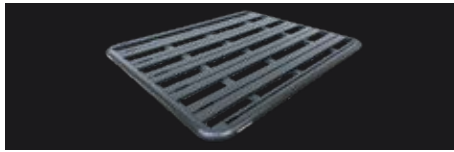

# LEISURE ACCESSORIES

Whether you're wanting to carry the families bikes, kayak, surfboard, snowboard or even an awning. Rhino-Rack provides you with everything so you can carry everything else.

## MASTERFIT ROOF BOX

With a Rhino-Rack Master Fit Roof Box you can conveniently carry more on road trips and on "off road" trips.

## PIONEER PLATFORM

The Pioneer Platform is the most versatile roof rack accessory for your 4WD or utility vehicle.

## NAUTIC KAYAK CARRIER

The Nautic 580 Side Loading Kayak Carrier features the next generation in design and technology.

## MASTERFIT ROOF BOX

The 4WD Off Road Proven Roof Box can carry a huge 75kg, around 25kg / 55lb more than other brand roof boxes.

## PIONEER TRAY

Sporting aerodynamic design and sleek black finish the Pioneer Tray is not only functional, it is a tough and stylish addition to your vehicle.

## 4 BIKE CARRIER

This durable bike carrier lets you comfortably carry up to 4 bikes.

# TRADE ACCESSORIES

If you're looking to carry your ladder, some timber or anything that can be tied down, Rhino-Rack provides a massive range of accessories to get you and your gear there in one piece.

## LADDER SLIDE KIT

The Rhino-Rack Ladder Slide Kit offers a safe, secure and economical solution for all of your ladder carrying needs.

## VORTEX EYE BOLT

The Rhino Vortex Eye Bolt is designed to create a tie off point to secure your load onto your Rhino Vortex bar.

## MULTI SLIDE EXTENSION LADDER RACK

Whatever trade - you'll need a ladder rack system to carry your extension ladder safely.

## VORTEX BAR

Rhino-Rack's Vortex roof rack system featuring the VGS strip is the perfect carrying solution for your leisurely activities.

## HEAVEY DUTY BAR EYE BOLT

The Rhino Heavey Duty Eye Bolt is designed to create a tie off point to secure your load onto your Rhino Hea bar.

## PIONEER TRADIE TRAY

The Pioneer Tradie is ideal for carrying a wide variety of gear on your roof.

For trade vehicle users who demand versatility, Fully Equipped is an aftermarket accessory supplier that provides dedicated service and access to a diverse range of world-class accessories.

Born and raised in New Zealand Fully Equipped has designed and built their flagship products the Crown Canopy and Tuf Dek liner for over thirty years. Constructed to master the harsh chill of the deep south to the dense bush of the far north. What Fully Equipped don't manufacture, they source from world-leading brands such as TJM, Bott, Mountain Top and BedSlide. Bringing the best in the world to New Zealand. 100% New Zealand owned Fully Equipped has become one of New Zealand's leading manufacturers and distributors of aftermarket accessories to suit the fleet, trade, off-road and the around town driver.
