CROWN
CANOPIES

MAKING KIWI CANOPIES FOR OVER 30 YEARS

On the cutting edge of canopy design, Crown Canopies are engineered from a fibreglass shell to provide greater strength and durability than a plastic canopy. Painted with eco friendly water based paint the Crown Canopy has a glossy, flawless finish to complement the vehicle.

Available for double, extra or single cab variants with the choice of window option tailored to requirement. Handbuilt from a single fibreglass shell, the Crown Canopy is a strong, impact-resistant extension of the vehicle that provides protected storage space for tools, gear and supplies.

FEATURES

- Heavy duty 5mm fibreglass construction
- UV resistant high-gloss gel coat finish
- Strong 100kg load rating
- Water tight storage space

REMOTE LOCKING

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote, for simple click and lock security. Using slam latch technology, the canopy rear door can be closed with no manual latching required.

FEATURE

Keyless single handle access to your canopy rear door.

RAINRUNNER

Using a combination of a flexible injection moulded corner radius, and a custom extruded centre section, water can be channelled across your door opening and away from the interior of your vehicle. Allowing you to work with your canopy rear door open in heavy rainfall.

FEATURE

Easily installed as an upgrade to the Crown Canopy range.

SLIDING WINDOW

Ideal for dog owners who require ventilation and the casual user who needs a secure space.

LIFT UP WINDOW

The essential window for tradesman, giving complete access to the tray of the vehicle.

FLUSH WINDOW

Featuring an all glass trim that gives the canopy a snazzy modern look.

SECURITY WINDOW

The perfect window option for accessibility and security using a solid fibreglass cut out.

DEFENDER

HARD LID

THE HARD WEARING ALUMINIUM HARD LID

The Defender Hard Lid converts the tray into a secure storage space. No more filling up the back seat with dirty tools, gear or supplies. Have everything within reach, with all angle access to the tray and easy opening with an efficient unlocking system.

FEATURES

- Easily removed
- 2.5mm layer checkered aluminium
- Black powder coat exterior
- Greater opening angle

ALUMINIUM EXTERIOR

Hard wearing aluminium checker plate exterior provides a stylish and durable finish.

GREATER OPENING ANGLE

All access, 47° opening angle for easy accessibility to the tray of the vehicle.

POP LOCK SECURITY HANDLE

Efficient single handle double lock security system recesses into the lid for subtle accessibility.

OPTIONAL CARGO RAILS

Load rated Cargo Rails provide carrying capacity for the Defender Hard Lid.

EGR

GEN3 CANOPY

Weather-resistant space you can count on.

The all-new GEN3 canopy is EGR's best canopy yet, taking what you expect from a canopy to the next level. All windows are frame-less, clean, with no external handles - providing your Canopy with a clean and stylish finish. The side Lift Windows include remote locking as a standard.

FEATURES

- No-Handle Push-button operation for Side-Lift Windows & Rear Door
- Central Locking
- Roof Accessory Mounting Tracks with Optional Internal Frame for heavy load rating
- Carpet Internal Liner
- Concealed Centre High Mount Stop Lamp

CONCEALED SIDE BUTTON

Frameless windows without any external handles. 3-Dimensional curved glass in a dark tint.

REAR BUTTON & KEY LOCK

Simply open with the push-button release with one finger. Remote locking is also standard.

ROOF RACK SURFACE TRACKS

Roof rack surface tracks mounted to the roof as standard to choose a preference for crossbars.

UPGRADED DESIGN & STYLE

Carpet lining, fast clamp-style fitment, and plug-and-play wiring to allow for a quick installation.

FENDER FLARES

Give your vehicle a touch of flare.

These EGR Fender Flares are CAD designed to have a simple no-drill fitment and replicate the look of standard factory fitting options to fit each vehicle application precisely. They offer the best-in-class design and quality, with a first-class finish, every time.

FEATURES

- Meet the NZTA aftermarket wheel protrusion modification standards
- Thermoformed ABS / Matt Black (MIC) or Colour Match Painted
- No-Drill Fitment using Brackets & Tension
- Rubber Extrusion seals against panels

MATTE FENDER FLARES

Subtly complement the style of the vehicle while providing a suitable guard for larger offset wheels.

SMOOTH-PAINTED FLARES

Available in colours matched to your individual vehicle or in a matte black.

STANDARD FACTORY LOOK

Vacuum formed from UV stable ABS plastic, with a no drill fitment that won't leave a mark.

NZTA STANDARDS

Meet the NZTA aftermarket wheel protrusion modification standards.

EGR

SOFT TONNEAU COVERS

Keep your gear dry and out of sight.

Soft Tonneau Covers are a simple bedcovering solution. Their simple design provides protection from the weather, and they are easily folded forward for larger loads. Using a simple clamp system, no bungee tie-downs are necessary with the EGR Tonneau Cover, providing a sleek, streamlined design from body to tub.

FEATURES

- Textured Black PVC Cover
- Optional Aluminum Fixing Rails & Crossbars

SPORTS BAR COMPATIBLE TONNEAU COVERS

The EGR Soft Tonneau Cover is a quick and easy accessory to not only keep your tub dry and secure, but to enhance the look of your ute.

The Sports bar-compatible Tonneau Covers include cutouts with tabs that overlap Sports bar foot caps.

RHINO-RACK

THE WORLDS MOST USEFUL ROOF RACKS

The range of leg options allows you to permanently or temporarily fix your vehicle with Roof Racks. Bar options include; Vortex, Heavy Duty and Stealth so whether your vehicle is a work van, ute or family SUV your choice of roof bars will complete your vehicle.

FEATURES

- Lockable legs for added security
- Tested and approved to Australian Standards AS1235-2000
- Easy to install / remove

LOW WIND NOISE

The aerodynamic design guarantees extremely low wind noise while driving.

STRONG AND DURABLE

Roof Racks and their accessories are built for off-road, commercial and around town use.

ALUMINIUM CONSTRUCTION

Built from rust-free extruded structural aluminium to withstand the New Zealand environment.

RANGE OF ACCESSORIES

A large range of commercial and lifestyle accessories are available to complement your vehicle.

NUDGE BAR

Safer, lighter, stronger. A great solution for protection from minor bumps and scrapes as well as adding vehicle value. Uniquely designed for the shape of the Next-Gen Ford Ranger. Meeting all safety standards, the ECB Nudge Bars are proven as a leading airbag-compatible frontal protection system.

FEATURES

- Match the contours of your vehicle
- Made from lightweight corrosion-resistant hi-tensile alloy
- Impeccable bumper, grille and radiator protection
- Allows for optimum and secure placement for additional lights

BUILT TO PERFORM

Lightweight aluminium roll cover that adds style and appeal to your vehicle.

OEM SENSORS

The vehicle's front parking sensors are relocated into the Nudge Bar to retain full functionality.

CAMERA RELOCATION KIT

Compatible with the forward-facing camera and all 'Tech Pack' safety options.

SPOTLIGHT MOUNTING TABS

76mm x 4.75mm thick tube with spotlight mounting tabs for lights up to 3.5kg.

bott

VEHICLE SHELVEING AND STORAGE SYSTEM

Drawers and shelving for utes from bott are a refined storage solution that rethinks the quality of ute organisation. Built from steel and wrapped in automotive carpet, the dual drawers extend effortlessly along a rolling track, providing two heavy-duty and lockable storage spaces capable of holding 100kgs each. When fitting a canopy, two steel shelves can be installed.

Made to sit above the inner wheel arch of the tray, the carpeted exterior of the drawer unit converts the tray into a clean, flat space with enough room below the top edge of the tray to offer generous room for immediate storage under a hard lid, tonneau or canopy.

FEATURES

- Drawers dynamically rated to 100kgs each.
- 320mm deep shelves hold plastic storage bins.
- Automotive carpet creates a soft usable surface.
- Free space above drawers system.

BED SLIDE

THE EFFORTLESS UTE SLIDING TRAY

The Bed Slide is the perfect solution to accessing the ute bed and sliding everything right from under a tonneau cover or hard lid. Holding 450kgs evenly distributed, simply grab the handle and pull, and the Bed Slide rolls everything out.

FEATURES

- Made with 100% weather resistant materials
- Utilises multiple locking positions
- Easy to install and removes in minutes
- Additional storage and tie down accessories

EFFORTLESS SLIDING

Cam Follower bearings on load bearing end with 2 ball sealed roller bearings for guides.

450KG LOAD RATING

Taking on a maximum 450kg load a simple latch locking system allows it to be effortlessly slid out.

CUSTOMISABLE

Additional Guard Rails, Tie Down Points and BedBins (1110mm x 100mm).

100% WEATHER RESISTANT

WeatherDeck the exclusive composite lightweight decking is durable in all elements.

EGR ROLLTRAC

ROLLING HARD LID

The first roll cover to fully integrate with the vehicle's electrical system, the RollTrac's smart ECU provides smooth and safe operation, while also preserving your battery. All-aluminium external construction is ready for the harshest conditions.

FEATURES

- Single touch buttons on both sides of the vehicle.
- Integrates directly with central Locking.
- Stop and lock the roll cover in any position.
- Anti-pinch system protects you from injury.

SMART TECHNOLOGY

The RollTrac is pre-programmed with operating software specific to your vehicle application.

TOUGH

Finished in scratch-resistant lightly textured black powder coat, also UV Stable and will not fade.

ELECTRIC ROLLING LID

The RollTrac Electric model integrates to your vehicle's remote central locking as standard.

OPTIONAL ACCESSORIES

A Sports Bar Adapter Kit allows use of the OEM Sports Bar and racking options.

INNOVATIVE RETRACTABLE HARD LID

The premium retractable tonneau cover, sleek design and an ultimate finish, with the colour option of anodized aluminium or black powder coat exterior. Providing unparalleled access due to it's effortless roll away design.

FEATURES

- Anodized aluminium exterior.
- Multiple locking positions.
- Optional Cargo Carriers and Sports Bars.
- Non-Drill Clamp on system.

ALUMINIUM EXTERIOR

Lightweight aluminium roll cover that adds style and appeal to your vehicle.

LOCKABLE WITH TAILGATE

Provides a high level of protection from the elements and keeps your belongings safe and dry.

OPTIONAL SPORTS BAR

The addition of a sports bar provides a polished or powder coated black extension to the lid.

OPTIONAL CARGO CARRIES

Load rated Cargo Rails provide carrying capacity for the Mountain Top Roll.
