**CROWN**  
CANOPIES

## MAKING KIWI CANOPIES FOR OVER 30 YEARS

On the cutting edge of canopy design, Crown Canopies are engineered from a fibreglass shell to provide greater strength and durability than a plastic canopy. Painted with eco friendly water based paint the Crown Canopy has a glossy, flawless finish to complement the vehicle.

Available for double, extra or single cab variants with the choice of window option tailored to requirement. Handbuilt from a single fibreglass shell, the Crown Canopy is a strong, impact-resistant extension of the vehicle that provides protected storage space for tools, gear and supplies.

### FEATURES

- Heavy duty 5mm fibreglass construction
- UV resistant high-gloss gel coat finish
- Strong 100kg load rating
- Water tight storage space

## REMOTE LOCKING

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote, for simple click and lock security. Using slam latch technology, the canopy rear door can be closed with no manual latching required.

### FEATURE

Keyless single handle access to your canopy rear door.

## RAINRUNNER

Using a combination of a flexible injection moulded corner radius, and a custom extruded centre section, water can be channelled across your door opening and away from the interior of your vehicle. Allowing you to work with your canopy rear door open in heavy rainfall.

### FEATURE

Easily installed as an upgrade to the Crown Canopy range.

### SLIDING WINDOW

Ideal for dog owners who require ventilation and the casual user who needs a secure space.

### LIFT UP WINDOW

The essential window for tradesman, giving complete access to the tray of the vehicle.

### FLUSH WINDOW

Featuring an all glass trim that gives the canopy a snazzy modern look.

### SECURITY WINDOW

The perfect window option for accessibility and security using a solid fibreglass cut out.

# RHINO-RACK

## THE WORLDS MOST USEFUL ROOF RACKS

The range of leg options allows you to permanently or temporarily fix your vehicle with Roof Racks. Bar options include; Vortex, Heavy Duty and Stealth so whether your vehicle is a work van, ute or family SUV your choice of roof bars will complete your vehicle.

### FEATURES

- Lockable legs for added security
- Tested and approved to Australian Standards AS1235-2000
- Easy to install / remove

#### LOW WIND NOISE

The aerodynamic design guarantees extremely low wind noise while driving.

#### STRONG AND DURABLE

Roof Racks and their accessories are built for off-road, commercial and around town use.

#### ALUMINIUM CONSTRUCTION

Built from rust-free extruded structural aluminium to withstand the New Zealand environment.

#### RANGE OF ACCESSORIES

A large range of commercial and lifestyle accessories are available to complement your vehicle.

# ***BEDRUG***<sup>®</sup>

## **NEXT GENERATION BEDLINERS**

You get the look and comfort of carpet, as well as a hard wearing non-slip TPO floor. That means not only will it protect your truck bed from impact dings and damage, but it will also stand up to the harshest conditions you can throw at it.

### **FEATURES**

- Includes a built in hinge to prevents debris falling between the bed and tailgate.
- Allows full access to any factory tie downs.
- Installs in minutes with a no drill application

### **IMPACT ABSORBING**

19mm of padding provides painless entry and impact absorbing protection.

### **NON-DRILL INSTALLATION**

Provides a scratch free finish for the ute that installs with hook-and-loop fasteners.

### **INTEGRATED TAILGATE GUARD**

Prevents debris from collecting in the opening between the tray and the tailgate.

### **ANTI-SKID**

Anti-skid TPO material prevents tools and loose items from excessive sliding around the tray.

# **DEFENDER** HARD LID

## THE HARD WEARING ALUMINIUM HARD LID

The Defender Hard Lid converts the tray into a secure storage space. No more filling up the back seat with dirty tools, gear or supplies. Have everything within reach, with all angle access to the tray and easy opening with an efficient unlocking system.

### FEATURES

- Easily removed.
- 2.5mm layer checkered aluminium.
- Black powder coat exterior.
- Greater opening angle.

#### ALUMINIUM EXTERIOR

Hard wearing aluminium checker plate exterior provides a stylish and durable finish.

#### GREATER OPENING ANGLE

All access, 47° opening angle for easy accessibility to the tray of the vehicle.

#### SECURITY HANDLE

Efficient single handle double lock security system recesses into the lid for subtle accessibility.

#### OPTIONAL CARGO RAILS

Load rated Cargo Rails provide carrying capacity for the Defender Hard Lid.

# MOUNTAIN TOP

## INNOVATIVE RETRACTABLE HARD LID

The premium retractable tonneau cover, sleek design and an ultimate finish, with the colour option of anodized aluminium or black powder coat exterior. Providing unparalleled access due to it's effortless roll away design.

### FEATURES

- Anodized aluminium exterior.
- Multiple locking positions.
- Optional Cargo Carriers and Sports Bars.
- Non-Drill Clamp on system.

### ALUMINIUM EXTERIOR

Lightweight aluminium roll cover that adds style and appeal to your vehicle.

### LOCKABLE WITH TAILGATE

Provides a high level of protection from the elements and keeps your belongings safe and dry.

### OPTIONAL SPORTS BAR

The addition of a sports bar provides a polished or powder coated black extension to the lid.

### OPTIONAL CARGO CARRIES

Load rated Cargo Rails provide carrying capacity for the Mountain Top Roll.

# EGR ROLLTRAC

## ELECTRIC ROLLING HARD LID

The first roll cover to fully integrate with the vehicle's electrical system, the RollTrac's smart ECU provides smooth and safe operation, while also preserving your battery. All-aluminium external construction is ready for the harshest conditions.

### FEATURES

- Single touch buttons on both sides of the vehicle.
- Integrates directly with central Locking.
- Stop and lock the roll cover in any position.
- Anti-pinch system protects you from injury.

### SMART TECHNOLOGY

The RollTrac is pre-programmed with operating software specific to your vehicle application.

### TOUGH

Finished in scratch-resistant lightly textured black powder coat, also UV Stable and will not fade.

### ELECTRIC ROLLING LID

The RollTrac Electric model integrates to your vehicle's remote central locking as standard.

### OPTIONAL ACCESSORIES

A Sports Bar Adapter Kit allows use of the OEM Sports Bar and racking options.

## GIVE YOUR VEHICLE A TOUCH OF FLARE

Using existing vehicle attachment points and specifically designed hardware. These Fender Flares are CAD designed to have a simple no-drill fitment and replicate the look of standard factory fitting options, to fit each vehicle application precisely.

### FEATURES

- No drill fitment leaves your vehicle free of holes and other lasting marks.
- Meets NZTA aftermarket modification standards.
- Made from UV stable plastic.

#### NO-DRILL FITMENT

Designed to have a simple no-drill fitment and replicate the look of standard factory fitting.

#### EXCLUSIVE DESIGN

Each vehicle model has an exclusive CAD designed flare, to replicate the look of the vehicle.

#### UV STABLE PLASTIC

100% rust proof and UV resistant, won't fade over time in the harsh NZ sun.

#### NZTA STANDARDS

Meet the "NZ Transport Agency" aftermarket wheel protrusion modification standards.

**bott**

## VEHICLE SHELVING AND STORAGE SYSTEM

Drawers and shelving for utes from bott are a refined storage solution that rethinks the quality of ute organisation. Built from steel and wrapped in automotive carpet, the dual drawers extend effortlessly along a rolling track, providing two heavy-duty and lockable storage spaces capable of holding 100kgs each. When fitting a canopy, two steel shelves can be installed.

Made to sit above the inner wheel arch of the tray, the carpeted exterior of the drawer unit converts the tray into a clean, flat space with enough room below the top edge of the tray to offer generous room for immediate storage under a hard lid, tonneau or canopy.

### FEATURES

- Drawers dynamically rated to 100kgs each.
- 320mm deep shelves hold plastic storage bins.
- Automotive carpet creates a soft usable surface.
- Free space above drawers system.

# BEDSLIDE

## THE EFFORTLESS UTE SLIDING TRAY

The Bed Slide is the perfect solution to accessing the ute bed and sliding everything right from under a tonneau cover or hard lid. Holding 450kgs evenly distributed, simply grab the handle and pull, and the Bed Slide rolls everything out.

### FEATURES

- Made with 100% weather resistant materials
- Utilises multiple locking positions
- Easy to install and removes in minutes
- Additional storage and tie down accessories

#### EFFORTLESS SLIDING

Cam Follower bearings on load bearing end with 2 ball sealed roller bearings for guides.

#### 450KG LOAD RATING

Taking on a maximum 450kg load a simple latch locking system allows it to be effortlessly slid out.

#### CUSTOMISABLE

Additional Guard Rails, Tie Down Points and BedBins (1110mm x 100mm).

#### 100% WEATHER RESISTANT

WeatherDeck the exclusive composite lightweight decking is durable in all elements.

For trade vehicle users who demand versatility, Fully Equipped is the aftermarket accessory supplier that provides dedicated service and access to a diverse range of world-class accessories.

Born and raised in New Zealand Fully Equipped has designed and built the Crown Canopy and Tuf Dek liner for over thirty years. What Fully Equipped don't manufacture, they source from world-leading brands such as BedRug, Defender, ECB, EGR, TJM, and XL.
