CROWN
CANOPIES

MAKING KIWI CANOPIES FOR OVER 30 YEARS

On the cutting edge of canopy design, Crown Canopies are engineered from a fibreglass shell to provide greater strength and durability than a plastic canopy. Painted with eco friendly water based paint the Crown Canopy has a glossy, flawless finish to complement the vehicle.

Available for double, extra or single cab variants with the choice of window option tailored to requirement. Handbuilt from a single fibreglass shell, the Crown Canopy is a strong, impact-resistant extension of the vehicle that provides protected storage space for tools, gear and supplies.

FEATURES

- Heavy duty 5mm fibreglass construction
- UV resistant high-gloss gel coat finish
- Strong 100kg load rating
- Water tight storage space

REMOTE LOCKING

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote, for simple click and lock security. Using slam latch technology, the canopy rear door can be closed with no manual latching required.

FEATURE

Keyless single handle access to your canopy rear door.

RAINRUNNER

Using a combination of a flexible injection moulded corner radius, and a custom extruded centre section, water can be channelled across your door opening and away from the interior of your vehicle. Allowing you to work with your canopy rear door open in heavy rainfall.

FEATURE

Easily installed as an upgrade to the Crown Canopy range.

SLIDING WINDOW

Ideal for dog owners who require ventilation and the casual user who needs a secure space.

LIFT UP WINDOW

The essential window for tradesman, giving complete access to the tray of the vehicle.
