CROWN
CANOPIES

MAKING KIVI CANOPIES FOR OVER 30 YEARS

On the cutting edge of canopy design, Crown Canopies are engineered from a fibreglass shell to provide greater strength and durability than a plastic canopy. Painted with eco friendly water based paint the Crown Canopy has a glossy, flawless finish to complement the vehicle.

Available for double, extra or single cab variants with the choice of window option tailored to requirement. Handbuilt from a single fibreglass shell, the Crown Canopy is a strong, impact-resistant extension of the vehicle that provides protected storage space for tools, gear and supplies.

FEATURES

- Heavy duty 5mm fibreglass construction
- UV resistant high-gloss gel coat finish
- Strong 100kg load rating
- Water tight storage space

REMOTE LOCKING

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote, for simple click and lock security. Using slam latch technology, the canopy rear door can be closed with no manual latching required.

FEATURE

Keyless single handle access to your canopy rear door.

RAINRUNNER

Using a combination of a flexible injection moulded corner radius, and a custom extruded centre section, water can be channelled across your door opening and away from the interior of your vehicle. Allowing you to work with your canopy rear door open in heavy rainfall.

FEATURE

Easily installed as an upgrade to the Crown Canopy range.

SLIDING WINDOW

Ideal for dog owners who require ventilation and the casual user who needs a secure space.

LIFT UP WINDOW

The essential window for tradesman, giving complete access to the tray of the vehicle.

FLUSH WINDOW

Featuring an all glass trim that gives the canopy a snazzy modern look.

SECURITY WINDOW

The perfect window option for accessibility and security using a solid fibreglass cut out.

RHINO-RACK

THE WORLDS MOST USEFUL ROOF RACKS

The range of leg options allows you to permanently or temporarily fix your vehicle with Roof Racks. Bar options include; Vortex, Heavy Duty and Stealth so whether your vehicle is a work van, ute or family SUV your choice of roof bars will complete your vehicle.

FEATURES

- Lockable legs for added security
- Tested and approved to Australian Standards AS1235-2000
- Easy to install / remove

LOW WIND NOISE

The aerodynamic design guarantees extremely low wind noise while driving.

STRONG AND DURABLE

Roof Racks and their accessories are built for off-road, commercial and around town use.

ALUMINIUM CONSTRUCTION

Built from rust-free extruded structural aluminium to withstand the New Zealand environment.

RANGE OF ACCESSORIES

A large range of commercial and lifestyle accessories are available to complement your vehicle.

BEDRUG[®]

NEXT GENERATION BEDLINERS

You get the look and comfort of carpet, as well as a hard wearing non-slip TPO floor. That means not only will it protect your truck bed from impact dings and damage, but it will also stand up to the harshest conditions you can throw at it.

FEATURES

- Includes a built in hinge to prevents debris falling between the bed and tailgate.
- Allows full access to any factory tie downs.
- Installs in minutes with a no drill application

IMPACT ABSORBING

19mm of padding provides painless entry and impact absorbing protection.

NON-DRILL INSTALLATION

Provides a scratch free finish for the ute that installs with hook-and-loop fasteners.

INTEGRATED TAILGATE GUARD

Prevents debris from collecting in the opening between the tray and the tailgate.

ANTI-SKID

Anti-skid TPO material prevents tools and loose items from excessive sliding around the tray.

DEFENDER

HARD LID

THE HARD WEARING ALUMINIUM HARD LID

The Defender Hard Lid converts the tray into a secure storage space. No more filling up the back seat with dirty tools, gear or supplies. Have everything within reach, with all angle access to the tray and easy opening with an efficient unlocking system.

FEATURES

- Easily removed.
- 2.5mm layer checkered aluminium.
- Black powder coat exterior.
- Greater opening angle.

ALUMINIUM EXTERIOR

Hard wearing aluminium checker plate exterior provides a stylish and durable finish.

GREATER OPENING ANGLE

All access, 47° opening angle for easy accessibility to the tray of the vehicle.

SECURITY HANDLE

Efficient single handle double lock security system recesses into the lid for subtle accessibility.

OPTIONAL CARGO RAILS

Load rated Cargo Rails provide carrying capacity for the Defender Hard Lid.

MOUNTAIN TOP

INNOVATIVE RETRACTABLE HARD LID

The premium retractable tonneau cover, sleek design and an ultimate finish, with the colour option of anodized aluminium or black powder coat exterior. Providing unparalleled access due to it's effortless roll away design.

FEATURES

- Anodized aluminium exterior.
- Multiple locking positions.
- Optional Cargo Carriers and Sports Bars.
- Non-Drill Clamp on system.

ALUMINIUM EXTERIOR

Lightweight aluminium roll cover that adds style and appeal to your vehicle.

LOCKABLE WITH TAILGATE

Provides a high level of protection from the elements and keeps your belongings safe and dry.

OPTIONAL SPORTS BAR

The addition of a sports bar provides a polished or powder coated black extension to the lid.

OPTIONAL CARGO CARRIES

Load rated Cargo Rails provide carrying capacity for the Mountain Top Roll.

EGR ROLLTRAC

ELECTRIC ROLLING HARD LID

The first roll cover to fully integrate with the vehicle's electrical system, the RollTrac's smart ECU provides smooth and safe operation, while also preserving your battery. All-aluminium external construction is ready for the harshest conditions.

FEATURES

- Single touch buttons on both sides of the vehicle.
- Integrates directly with central Locking.
- Stop and lock the roll cover in any position.
- Anti-pinch system protects you from injury.

SMART TECHNOLOGY

The RollTrac is pre-programmed with operating software specific to your vehicle application.

TOUGH

Finished in scratch-resistant lightly textured black powder coat, also UV Stable and will not fade.

ELECTRIC ROLLING LID

The RollTrac Electric model integrates to your vehicle's remote central locking as standard.

OPTIONAL ACCESSORIES

A Sports Bar Adapter Kit allows use of the OEM Sports Bar and racking options.

BAKFlip

REMOVE LOAD RESTRAINTS

Enhanced durable and light weight aluminium panels use a simple cord latch to fold into an open position. Mounted flush with the tray of the ute, providing an extremely low-profile design that compliments the factory black trim perfectly.

FEATURES

- Fold the cover up to the cab for full-bed access.
- Water drainage system.
- Easy operation.
- Installed without drilling into the ute bed.

FULL BED ACCESS

Fold the cover up to the cab for full-bed access, rubber bumpers protect the cab from impact.

WATER DRAINAGE SYSTEM

The rails collect and guide water to the front of the bed where it is emptied through drainage tubes.

UNIVERSAL TAILGATE

Triple fin seals allow the tailgate to operate whether the cover is open or closed.

MATTE BLACK FINISH

The BakFlip's matte black finish offers superior scratch resistance and UV protection.

bott

VEHICLE SHELVING AND STORAGE SYSTEM

Drawers and shelving for utes from bott are a refined storage solution that rethinks the quality of ute organisation. Built from steel and wrapped in automotive carpet, the dual drawers extend effortlessly along a rolling track, providing two heavy-duty and lockable storage spaces capable of holding 100kgs each. When fitting a canopy, two steel shelves can be installed.

Made to sit above the inner wheel arch of the tray, the carpeted exterior of the drawer unit converts the tray into a clean, flat space with enough room below the top edge of the tray to offer generous room for immediate storage under a hard lid, tonneau or canopy.

FEATURES

- Drawers dynamically rated to 100kgs each.
- 320mm deep shelves hold plastic storage bins.
- Automotive carpet creates a soft usable surface.
- Free space above drawers system.

BED SLIDE TRAY

The Bed Slide is the perfect solution to accessing the ute bed and sliding everything out from under a canopy, tonneau cover or hard lid. Holding 450kgs evenly distributed, simply grab the handle and pull, and the Bed Slide rolls everything out.

FEATURES

Additional storage and tie down accessories.

TJM SNORKEL

Fitting a snorkel means air supply is drawn from roof level providing cooler and cleaner air to the engine, which means greater fuel efficiency and less clogging of air filters. Providing hassle-free air induction when immersed in dust and getting you through deep water crossings.

FEATURES

Engineered to supply the correct volume of air or better to the engine.

QUANTUM SIDE STEPS

These euro style running boards are the ideal accessory to add a black accent to a vehicle. Featuring black anodised step treads and custom end caps they provide effortless entry to the vehicle, convenient access to the roof and lower body protection from mud and stones.

FEATURES

Built from aluminium and anodised black for style and protection.

FULLY EQUIPPED

For trade vehicle users who demand versatility, Fully Equipped is the aftermarket accessory supplier that provides dedicated service and access to a diverse range of world-class accessories.

Born and raised in New Zealand Fully Equipped has designed and built the Crown Canopy and Tuf Dek liner for over thirty years. What Fully Equipped don't manufacture, they source from world-leading brands such as BedRug, Defender, ECB, EGR, TJM, and XL.
