PREMIUM VEHICLE ACCESSORIES

DRIVE TO THE FULLEST

**FULLY
EQUIPPED**

The Crown Canopies DNA combines precision measured glass fibres and resin to create an inherently strong fibreglass canopy. Engineered for durability, it features a fully integrated base rail for secure vehicle mounting, ensuring your canopy and load stay safe. Certified and tested with a 100kg load capacity, this canopy offers peace of mind and reliability.

WINDOW OPTIONS TO SUIT

Options include lift-up windows for easy access, sleek flush windows for style, sliding windows with ventilation for pets, or a combination of both for ultimate versatility.

REMOTE LOCKING UPGRADE

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote for simple click-and-lock security. Using slam-latch technology, the rear canopy door can be closed without manual latching.

ESSENTIAL ACCESSORIES

Customise your Crown Canopy with air vents, security mesh, and an interior light for added convenience and protection. Designed without internal framing, it maximises space and load capacity. Enhance both functionality and efficiency with these essential accessories.

GLOSS FINISHING & PAINT OPTIONS

The Crown Canopy boasts a smooth, high-gloss exterior with a durable white gel coat for UV protection and a maintenance-free finish. It can also be painted to colour-match your vehicle for a seamless look. This premium finish and customisable paint option enhance both its appearance and durability.

The Rola Titan Tray is built for strength and versatility, combining lightweight yet durable materials with smart engineering. Designed for demanding conditions, it features internal mounting bars for secure load attachment and customisation. Certified and tested for heavy loads, the Titan Tray delivers reliability and peace of mind, whether you're tackling tough terrain or daily transport needs.
