PREMIUM VEHICLE ACCESSORIES

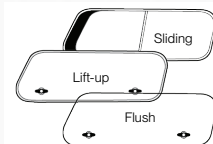

DRIVE TO THE FULLEST

**FULLY
EQUIPPED**

STRENGTH IS OUR FOUNDATION

The Crown Canopies DNA combines precision measured glass fibres and resin to create an inherently strong fibreglass canopy. Engineered for durability, it features a fully integrated base rail for secure vehicle mounting, ensuring your canopy and load stay safe. Certified and tested with a 100kg load capacity, this canopy offers peace of mind and reliability.

WINDOW OPTIONS TO SUIT

Options include lift-up windows for easy access, sleek flush windows for style, sliding windows with ventilation for pets, or a combination of both for ultimate versatility.

REMOTE LOCKING UPGRADE

Integrated into the vehicle's electrical system, the Crown Canopy rear door locks and unlocks with the factory vehicle remote for simple click-and-lock security. Using slam-latch technology, the rear canopy door can be closed without manual latching.

ESSENTIAL ACCESSORIES

Customise your Crown Canopy with air vents, security mesh, and an interior light for added convenience and protection. Designed without internal framing, it maximises space and load capacity. Enhance both functionality and efficiency with these essential accessories.

GLOSS FINISHING & PAINT OPTIONS

The Crown Canopy boasts a smooth, high-gloss exterior with a durable white gel coat for UV protection and a maintenance-free finish. It can also be painted to colour-match your vehicle for a seamless look. This premium finish and customisable paint option enhance both its appearance and durability.

Featuring a flatter roof profile for a streamlined design, the sleek new Crown canopy incorporates a roof rack location channel that aligns perfectly with the vehicle's factory fixing points. It's our best canopy yet!

STRENGTH IS OUR FOUNDATION

For over 30 years, Crown Canopies have been the go-to for unbeatable quality and reliability. Built to withstand all your adventures and commercial use, it's the canopy that's always up for the challenge.

Crown Canopy, colour matched, flush-mount windows with an auto locking rear door
